NATIONAL ENERGY SERVICES REUNITED CORP.

June 30, 2020

This is a meeting of and for the shareholders of National Energy Services Reunited Corp. Only shareholders of record, proxies for shareholders and others having the right to direct proxy voting are entitled to participate.

1. The only business matters to be conducted at the Annual General Meeting are the matters set forth in the Notice of Annual General Meeting of Shareholders and the 2020 Proxy Statement dated June 5, 2020. The business of the meeting will be taken up as set forth by the Chairman in accordance with the Agenda. When an item on the Agenda is before the meeting for consideration, discussion should be confined to that item.
2. Only shareholders as of the close of business on May 22, 2020, the record date, or their duly authorized proxies, are entitled to submit questions and vote at the Annual General Meeting. Shareholders may vote until the polls close. The polls will close immediately after the presentation of Agenda Item II.
3. Opportunities for questions exist and are welcome during the question and answer session as set forth in the Agenda, which will include questions submitted live during the Annual General Meeting. Shareholders should limit their questions to items properly brought before the meeting. In order to give as many shareholders as possible the opportunity to ask questions, we ask that you please limit yourself to one question per topic. Up to two minutes will be allocated to read each question.
4. Registered shareholders may submit a question during the meeting at <https://www.cstproxy.com/nedr/2020> after logging in with the 12-digit control number ("Control Number") or, for beneficial shareholders, using the legal proxy provided by your broker or via a guest access number provided by Continental Stock Transfer & Trust Company. The Control Number is found next to the label for postal mail recipients or within the email you received with your Proxy Statement materials.
5. The views, comments or criticisms of the shareholders are welcome, but conducting the business in the order set forth by the Chairman, for the benefit of all shareholders, will be paramount. The Chairman will rule out of order discussions and will not answer questions, among other things, that are:

- Unrelated to an item properly brought before the meeting in accordance with the company's organizational documents
 - Irrelevant to the business of the company
 - Disorderly
 - Repetitious of statements already made by other persons or
 - In furtherance of the speaker's personal or business interests and not of general concern to all shareholders generally.
6. Under the company's organizational documents, nominations during the meeting for election to the Board of Directors or shareholder proposals during the meeting that have not been properly notified to the company in accordance with the bylaws will not be accepted.
 7. Conduct which is not in compliance with these rules or which is not appropriate, including derogatory references to individuals or comments that are otherwise in bad taste, will not be permitted.
 8. In the event of technical malfunction or other significant problem that disrupts the Annual General Meeting, the Chairman may adjourn, recess, or expedite the Annual General Meeting, or take such other action that the Chairman determines is appropriate in light of the circumstances.
