(“Sizzle”) issued a press release announcing that its special meeting of stockholders (the “Meeting”) to approve its proposed initial business combination, which was scheduled for February 6, 2024, has been postponed to **10:00 a.m. Eastern Time, on Friday, February 9, 2024**. At the Meeting, stockholders of Sizzle will be asked to vote on proposals to approve, among other things, its proposed initial business combination with European Lithium Limited, an Australian Public Company limited by shares (ASX: EUR) (“EUR”), European Lithium AT (Investments) Limited, a BVI business company incorporated in the British Virgin Islands and a direct, wholly owned subsidiary of EUR (the “Company”), Critical Metals Corp., a BVI business company incorporated in the British Virgin Islands (“Pubco”) and Project Wolf Merger Sub Inc., a Delaware corporation and a direct, wholly-owned subsidiary of Pubco (the “Proposed Business Combination”). There is no change to the location, the record date, the purpose or any of the proposals to be acted upon at the Meeting.

The reason for the postponement is that EUR and Sizzle are engaged in further discussions evaluating potential investments from certain strategic parties in connection with the closing of the Proposed Business Combination.

Also as a result of this change, Sizzle has extended the deadline for holders of Sizzle’s common stock as of the record date of December 26, 2023 (the “Record Date”) to submit their publicly held shares for redemption in connection with the Proposed Business Combination to 5:00 p.m. Eastern Time on Wednesday, February 7, 2024. Stockholders who wish to withdraw their previously submitted redemption requests may do so prior to the Meeting by requesting Sizzle’s transfer agent Continental Stock Transfer & Trust Company to return such shares.

Cautionary Note Regarding Forward-Looking Statements

This Form 8-K contains forward-looking statements within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995. Sizzle's, Pubco's and the Company's and/or EUR's actual results may differ from their expectations, estimates and projections and consequently, you should not rely on these forward-looking statements as predictions of future events. Forward-looking statements include statements concerning plans, objectives, goals, strategies, future events or performance, and underlying assumptions and other statements that are other than statements of historical facts. No representations or warranties, express or implied are given in, or in respect of, this Form 8-K. When we use words such as "may," "will," "intend," "should," "believe," "expect," "anticipate," "project," "estimate" or similar expressions that do not relate solely to historical matters, it is making forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

These forward-looking statements and factors that may cause actual results to differ materially from current expectations include, but are not limited to: the ability of the parties to complete the Proposed Business Combination in a timely manner or at all; the risk that the Proposed Business Combination or other business combination may not be completed by Sizzle's business combination deadline and the potential failure to obtain an extension of the business combination deadline; the outcome of any legal proceedings or government or regulatory action on inquiry that may be instituted against Sizzle, Pubco, EUR or the Company or others following the announcement of the Proposed Business Combination and any definitive agreements with respect thereto; the inability to satisfy the conditions to the consummation of the Proposed Business Combination, including the approval of the Proposed Business Combination by the stockholders of Sizzle or EUR; the occurrence of any event, change or other circumstance that could give rise to the termination of the business combination agreement relating to the Proposed Business Combination; the ability to meet stock exchange listing standards following the consummation of the Proposed Business Combination; the effect of the announcement or pendency of the Proposed Business Combination on EUR and the Company's business relationships, operating results, current plans and operations of EUR, Pubco and the Company; the ability to recognize the anticipated benefits of the Proposed Business Combination, which may be affected by, among other things, competition, the ability of Pubco to grow and manage growth profitably; the possibility that Sizzle, Pubco, EUR and/or the Company may be adversely affected by other economic, business, and/or competitive factors; estimates by Sizzle, Pubco, EUR or the Company of expenses and profitability; expectations with respect to future operating and financial performance and growth, including the timing of the completion of the Proposed Business Combination; plans, intentions or future operations of Pubco or the Company, including relating to the finalization, completion of any studies, feasibility studies or other assessments or relating to attainment, retention or renewal of any assessments, permits, licenses or other governmental notices or approvals, or the commencement or continuation of any construction or operations of plants or facilities; EUR's and Pubco's ability to execute on their business plans and strategy; and other risks and uncertainties described from time to time in filings with the SEC. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability.

The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the Registration Statement referenced above and other documents filed by Sizzle and Pubco from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. There may be additional risks that neither Sizzle, Pubco nor EUR and the Company presently know, or that Sizzle, Pubco, EUR and/or the Company currently believe are immaterial, that could cause actual results to differ from those contained in the forward-looking statements. For these reasons, among others, investors and other interested persons are cautioned not to place undue reliance upon any forward-looking statements in this Form 8-K. Neither Sizzle, EUR, Pubco nor the Company undertakes any obligation to publicly revise these forward-looking statements to reflect events or circumstances that arise after the date of this Form 8-K, except as required by applicable law.
